See the note below from USDA. Is the request to remove the earlier posted set of comments possible?

Rick,
I submitted the USDA comments earlier today to the EPA docket. However, our OGC provided additional comments after I submitted. I have just posted them to the docket - again. I noted that the second posting is UPDATED. Could you have the first set removed and keep the the Updated version? Thanks in advance.
I have also attached a copy of our final comments in case I have confused you! They are due today.
Thanks,
Sheryl
